Card Making Basic Supplies

As with any craft or hobby, each person will rely on their favorite tools for working in their desired field. Listed below are supplies, from Amazon and available at Joann's etc., which many have found to be helpful, easy to find and work well for cardmaking.

Sizzix 660200 Big Shot Manual, 6 Inches

Sizzix also makes the Big Shot Plus (a larger platform)

Scotch Foam Tape – 1/2"

(Used to raise items above the card base)

Mini Misti – Stamping Platform

(a larger size is available - but not needed)
(Allows multiple stamping for a clear image)

Bone Folder - Any brand

(this is used to create a smooth creased line after scoring)

Tape Runner

(For attaching items to a card)

White Cardstock

(For card bases & printed art)
(Neenah 110# 94 brightness – Great!)

Also important are a good pair of regular scissors and a smaller pair for detailed work.
